Great Coates Reading Round-Up

Reading at Great Coates

Welcome to the Easter Edition of our Reading Newsletter.At Great Coates, our aim is for every child to become an avid reader. As our poster says, '20 is plenty!' We firmly believe in the powerful impact that reading can have on a child's development. Our dedicated staff are always available to provide support and guidance to parents in fostering a love for reading and helping children discover books they will truly enjoy.

Our target for children is to encourage them to read at least three times a week. To help us track their progress, we kindly request that parents record these reading sessions in their child's reading record. If a child completes three reads in a week, they will receive a ticket. Each week, during assembly, we will select a winning name, and that child will be rewarded with a book.

This Term

This term, we had an amazing time celebrating World Book Day. We loved exploring 'Inside the Villains' by Clotilde Perrin. Each Key Stage found out about a different villain. The children in Year 2 took part in a virtual author event with Joseph Coelho, and in the afternoon, children chose a villainous story to listen to
