Have a Happy Christmas!

At Great Coates Primary, safeguarding our pupils and supporting families remains a high priority over the Christmas period. Whilst the school is closed parents/carers can still access support from a variety of services. This newsletter contains useful contact information, should you need to access support during the holidays.

What to do if you are worried about a child's welfare:

They will talk you through the process and guide you throughout all the steps to make the referral as easy as possible for you.
