Friday 14th March

Sponsored Easter Fun Run Friday 4th April 2025

Dear Parent/Guardian,

On Friday 4th April, the school will be taking part in a sponsored fun run for St Andrew's Hospice and the Millie Wright charity.

St Andrew's Hospice is a local charity which cares for and supports children and adults affected by life-limiting conditions or who are coming to the end of their life.

The Millie Wright Children's Charity is a charity which is based in Leeds and gives support to children and families whilst they stay at Leeds Children's Hospital. It has recently supported one of our pupils who has had to spend some time in Leeds Children's Hospital.

We will be running around the school field. Nursery will run/walk 500m, Reception children will walk/run 1000 m, Key Stage 1 children will walk/run 1500 m and KS2 children will walk/ run 2000 m.

On the day, we would like pupils to come to school dressed as a hero, or in an Easter themed costume. This may be an Easter bonnet, bunny ears or just something in springtime colours. Every child who takes part will receive a small prize and one child from each class will win an Easter Egg for the most interesting costume.

On the back of this letter is a sponsor form, to use to help collect sponsor money. You do not need to return this form to school but use it to keep track of any sponsors.

We are setting up two Just Giving pages for the charities and will send these links out to parents via email. Once your child has completed the sponsored fun run, please collect the money and forward the money electronically directly to the charity using the Just Giving links.

We will not be collecting any cash in school.

Sponsor money can be donated to the charities of your choice however, it would be great if we could spread our donations out.

The two charities are extremely grateful that we are raising money for them and would like me to pass on their thanks to the children and parents.

Regards

Lynn Deans

Vice Principal
